

TO WHOSOEVER IT MAY CONCERN

This is to certify that we have successfully installed a 40kW Grid connected rooftop solar power plant at Govt. M K B Arts and Commerce College, Jabalpur, Madhya Pradesh. The solar plant has been successfully installed on 25-10-2019 and the net metering has been done on 06-12-2019.

As per the information sought via letter No. 281/2021 dated: 15-07-2021 following are our response:

1. This 40kWp grid connected rooftop solar power plant shall generate approximately 15,33,000 units per year in case of normal and uninterrupted operation.
2. Net export to grid is recorded by the DISCOM and this data can only be obtained from the electricity bill or DISCOM.
3. Solar Power plant saves environment, installation a 40kWp is equal to planting approximately 1320 trees.

Yours sincerely,

For Azure Power Rooftop Five Private Limited
