 A wide variety of subjects having value at national and international level are offered to BA and MA students. These subjects aptly amalgamate the core elements of value based education, Music, Drawing and Painting. Psychology and other such subjects focus on imparting knowledge, appropriate learning leading to employability for a better life.  
 Course contents of B.Com. and M. Com. programmes ensure employability through practical exposures of Business and Commerce. Industry visit, excursion, project work and internship help in gaining ground in the pragmatic side of the subject. Subject contents also provide professional edge for the job market. Syllabi of various Post Graduate subjects expose the students to a new realm of understanding by sharpening their cognitive mind.  
 The curriculum design of all the programmes is in sync with the vision of the institution where in academic excellence and social relevance are of paramount importance. The focus of the curricula is on academic knowledge, fundamental skills personality development and fulfilment of local, regional and global needs by maintaining social and moral values.

#### Value Addition in curriculum \*

**Human Values** Various topics compulsorily taught at graduation level aim at imparting human values to the students. The values of national integration, honor and dignity, discipline, honesty and responsibility are an inherent part of the syllabus. Apart from this induction programme held at the beginning of the session also focuses on these values.

**Professional Ethics** Professional Ethics form an important part of the curricula. The students code of conduct guidelines have been formulated and displayed in order to regulate their behavior in and outside the campus. These guidelines address the rights, duties and responsibilities of the students so that they understand their role in the institution and in society.

#### Expected Learning Outcome from the modified curriculum or related practices \*

1. To transform students from rural background into modern carrier seeker.
2. To encourage and motivate the capability of students belonging socially deprived classes and pursue their carrier and ambitions along with guiding them to achieve their goals.
3. The aim of the institution is to impart not only knowledge of the various subjects taught but also to relate them to reality.
4. Imparting knowledge is not sufficient unless and until the students are not encouraged to take active part in extra and co-curricular activities, which develops their personality.
5. Students become sensitive and aware towards social national and global issues and makes them aware citizens

#### Employability enhancement through this new curriculum. \*

The program and related courses offered by these institution, enables a students to the academically sound. These helps a student to perform better in competitive exams as well as academic interviews. Various values added courses of this institution, completed by students also add in extra feather in their academic achievements. In addition to that, round the year trainings on skill development computer courses, soft skill development, carrier guidance activities happened in the campus impart student with a complete picture of requisition and expectation of their future employers. They freely take part in curriculum activities throw these complete grooming help them to appear in all types of exams and succeed.

The teachers primary role is to teach and facilitate student learning and overall comprehension of material, through both traditional and innovative methods. Therefore, in the student centered classroom. Apart from the application of traditional methods of teaching the faculty of the college makes use of ICT enabled teaching learning tools to make the process of teaching learning more impactful, they frequently make use of PowerPoint Presentations for the benefit of the students. Online teaching is being practiced since 2019 20. Many teachers use computers, smart phones and tablets in the classroom. Access to the internet provides unlimited resources to teachers. Whats App group of all the classes are made by the college. e material is provided to the students, web link, information regarding the significant softwares, websites, blogs, UGC lectures, subject related Applications, Education based Social Media Platforms is given to the students in the classroom by all the teachers. Group Discussion, Quiz, and Survey Play Way Method are also practiced by the teachers. Teachers encourage students to ask questions and motivate them to know more about the world around them. Inquiry based learning falls under the student-centric approach, in that students play an active and participatory role in their own learning. The students of literature are involved in role play method and surveys to make the subject more comprehensive. For the conduction of Cambridge Assessment English classes teachers made use of outdoor games and activities to make the learning process interesting and playful. These innovative methods made the students regular to the classes at the same time made learning an enjoyable process

Envisaged impact of new / different pedagogy\*

Beyond syllabus scholarly activities like Book Review Inter College and Interstate Quizzes Essay Competitions are regularly organized by the college for the benefit of the students. The departments of Hindi and English practice writing Book Review by students as part of their project writing. This helps them improving their reading and writing skills, to add to this, project Viva makes them well versed with the spoken aspect of the language in which they appear before the examiner. Book review also helps the students to discover authors and their styles they did not know earlier. It also prepares them to work in the field of print and digital media.
